Subject: Navy-Northrop Grumman Bethpage - questions in preparation for briefing later this week.

Hi Guys. We are briefing our Deputy Regional Administrator on Thursday, and I was asked if I could try to find out the following before the briefing:

1. DEC's thoughts on the radium issue as well as additional CSIA sampling they may be considering (or maybe they are waiting to discuss at the quarterly meeting).
2. Plant 6-2 pilot study - As per my email to Steve, whether there were results from weeks 3 and 4?

Thanks,
Carol
